

No hiding place for big Brad'll bream when Heidi is around!

BRADWELL Lake has been boiling for some – bailiff Heidi Arnold leading the way with a new personal best 11-8 bream.

Her road-side bank super-slab (pictured) was the highlight of a long session during which bailiffing colleague Helen Havers had an eight-pounder.

Two other rods both put in 48 hour stints, one to finish with 19 good bream and tench and the other 17.

And Jeff Arnold has had a string of low doubles carp from his favourite hot spot, plus chunky roach and skimmers on maggot while waiting for the carp to show!

HEATHER Price (pictured below by Ron Bull with Olney president Andrew Finn-Kelcey) has had her second junior win in a week, topping the Dale Rogers memorial with 3-13. Sam Brooks had 2-1 and Charlie Mynard 1-10-12.
