

Lodge roach meister 'end-peg' Ernie pulls off yet another win!

GOOD old 'end peg' Ernie Sattler lived up to his hashtag Saturday, drawing yet another 'ender' – and winning from it!

After two bite-less hours on the tip in Saturday's MK individual league third round, he switched to pole and caster to rattle out 18-3-8 of prime Lodge Lake roach.

And that masterclass performance levered him up the table into third overall with 27 series points, despite missing the first round.

Second on the day went to Phil Bardell with 17-2-8 of slabs and roach for 17-2-8 as Bob Gale – leading the league on 38 – made third with 10-4. Kevin Osborne is second on 36.

■ **SUNDAY** saw the summer league kick off on Furzton with the bream keeping their heads down, again, and roach making most of the running.

Black Horse's Graham West won with 31-15 ahead of Ernie Sattler (his second end peg in two days) with 25-15 for Tackle Hub, and GoneFishin Blue's Darren Davis netting 25-7.

GoneFishin teams took the top two slots on the day – 38 and 36 points – followed by 'Horse on 34 and Maver MK Green, 30.

■ **ON A ROLL:** that's Rob Stones whose latest catch from the local cut was the superb PB 2lb Grand Union roach pictured.

In just a few days he had the monster redfin, perch to 3lb, and numerous bream from 3 to 5lb. He said: "The canal is greatly under-rated. With an EA and MK licence working out at 18p a day...where else would you go?"

■ **THEIR** latest city sweep saw the EA check 83 anglers –

without a dodger being found! But one guy did get booked, for having his rods 28 metres apart when the legal limit is three metres.

■ **OSPREY, Lakeside:** Ed Blaine 219lb, Chris Lovelock 158lb, Gareth Price 146lb.

■ **MK Vets, Canons Ashby:** Dave Cantrell 65-14, Paul Chapman 43-5, Bob Gale 34-10.

■ **TOWCESTER, Wapenhams Water:** Green 38-4, John Balhatchett 37-8, Rob Eales 37lb. Darren Panel drew a flyer,
