

# Is this going to be a winter for really BIG Ouse perch?

**ONE** fish doesn't make a winter...but Karl Seidler's near four-pound perch could be an omen of a good stripey season to come on the Upper Ouse!

*With big river perch seemingly rarer than rocking horse droppings all summer, Karl Seidler set the grapevine throbbing with a Bradwell Lake Ouse 3-14 on Friday morning.*

And it took some landing on 16 to 2lb line, centre-pin and light rod. Catching silvers on double maggot, he hooked the biggie after letting his float trot that bit further downstream.

Yards away Keith Cross bagged a 26-4 Bradwell Lake common while, elsewhere on the river, Mark Fisher had his first ever 5lb plus chub.

■ **MICHAEL** Buchwalder has been at it again – framing in big matches that is! Two weeks after sharing £16,000 and the world pairs title with buddy Rod Scott in Ireland, the lad added a Feedermasters Champs third place this weekend.

That brought him £2,500 for a two-day 56lb of bream on Bough Beech in Kent as Steve Ringer

earned £4,000 with 60lb and Darren Cox scooped the £12,000 top spot with 67lb.

■ **ON** a much lower pay-day GoneFishin co-boss Gary

Underwood won the Waters Edge Black Horse Lake open with 63-1 of slabs. Phil Bardell had 50lb and Richard King 47-12.

■ **DAVE** Tebbut was in winning mode, too – topping the Sherington Bridge Ouse open with 14-9, mostly small perch. Pete Hawley had 9lb of roach ahead of Paul Hamilton 7-6.

■ **DOING** a midweek photo-shoot for *Matchfishing* magazine, on *Tear Drops*, Jon Arthur (bottom right) netted a shoal of silvers and a couple of tench.

■ **MK** Vets, Clattercote: Richard Lattimer 25-6,

Paul Chapman 20-14, Dave Cantrell 18-1.

■ **KINGFISHER**, Tear Drops: Dell Rowland 13-7, Steve Chilton 8-3, Steve Carr 7-7.

■ **CALVERT**, Claydon Lake: Dave Lewis 10-11, Les Smith 9-12, Tony Richardson 8-2.

■ A 30-5 new PB common was Tony Snelson's reward on the Big Pit, along with a 7-12 bream. Tyler Fitzpatrick landed a 23-8 from Furzton – several others had big doubles and low 20s – then moved to Willen for a 9lb bream.

■ **LODGE** carp have been well on the move again with plenty of fish to low 20s coming out while Toni Richards had a 4-6 tench. The canal – water temperature down almost 10 degrees Fahrenheit in a week – produced perch to 2-9 for MK Piker.

■ **NEWPORT** have added 250 tench to around eight ounces to the Big Pit and Abbeys.

■ **FIXTURES:** Saturday, MK Individual league final round; Oct 15 Towcester open (Castlethorpe cut) 01908 563617.
