

Fish have been coming out all over as sun shines down

FURZTON's bream may have been a bit coy recently – on one day and off the next – but **Dave Timlin** and **Gary Mason** hit it on one of its better days...

Fishing feeder **Dave** had more than a dozen slabs while **Gary** netted 10 and a 17lb carp for good measure.

Others having fun there were Don Warner – a 13lb koi – while Ray Preedy was well-chuffed after spotting a big double and tempting it on freeline bread.

On one of Linford's syndicate lakes Bill Dean and Neil Cook shared 28 carp from 15 to 38-8 – plus eight tench and two inquisitive roach while Gary Maton had a 28-2 on the dayticket section.

Bradwell's bream and tench run continues with Arthur Terrill, Nuala Gray and Tony Richards catching well while Owen Wye has been getting chunky carp at Wolverton Mill.

At the other end of the scale Mark Fisher had a 50.9 gramme (1.792 ounce) Simpson canal ruffe...a mini-species biggie!

■ **LAKES** Lane Lads and Canal All-sorts topped Sunday's MK canal league final round (Pattison Lane) but Browning Black took the overall honours!

Top weight went too All-sorts' Ian Young with 8-7 of skimmers followed by Browning Red's Tom Webster and Paul Abbott, both 6-14, with Lads' Dave Tebbutt on 5-12. All-sorts collected 34 points on the day with the Lads on 31. Paul Abbott was series top individual.
