Winning machine marches on

WITH the team scoring win after win on the bream water, Ferry Meadows ought to be re-named The Ringers' Money-Box!

This weekend it was Phil Ringer, topping the Peterborough Feedermaster final to pocket a grand for weighing in 49-2 of slabs on the tip.

Dave Martin was second with 44-14 ahead of Graham Page on 38lb and Nigel Briggs 34-12.

Elsewhere Steve Ringer and squad-mate Adam Wakelin were busy winning the Feederland pairs on Bough Beech in deepest Kent with a perfect two-point score for 58-5 (carp didn't count).

Among others from this area Graham West and Dave Webb finished fifth with four-points for 29-5.

● NENE and Towcester's joint match on Rysons saw John Broughton with bream to 5lb for 22-5 on the pole and corn. Les Ramsden had 21-4 and Mick Goodridge 14-12.

● DRAYTON bailiff Mark Ryder's latest French trip saw him net a 48lb mirror from the vast, rock-hard, 12,000 acre lac du ber reservoir – the main water supply for Paris.
