

Silvers get on the feed for Olney's great Ouse open!

A ROARING great sell-out success. That was Olney's latest 60 peg Ouse open – with the 55 who weighed-in totalling 359lb, which was mostly silvers!

And even the few who didn't go to the scales all caught fish in Sunday's first Ron Bull memorial open, though there were also a handful of big perch landed amid all the roach, dace and chublets.

The biggest stripey of the match – a fine fish of 3-1 – fell to Kevin Osborne who hooked it with only seconds to go and netted it after the final whistle, helping him win the lowest scoring section with 5-11...just an ounce clear of the next man.

Pete Laughton had top weight on the day with 20-14-8 of quality roach and dace on the pole and maggot as Nick Antonacci had 16-1, Paul Reynolds 15-8 and Alan Carr 14-10.

■ **GARY** Kimbell 'lived the dream' for three nights on Dovecote with an 11 fish haul which would be a life-times best for most people – topped off with a 42 and a 41! Also included in his magic session were FIVE 30s, two 20s and a couple of doubles!

■ **ELSEWHERE** mere mortals reached less rarefied heights. Among them, Robi Bara got a 6am wake-up call on Linford pits which, 30 minutes later, turned out to have been from a 28-6 cat. John Collins had a 23-3 mirror from Furzton, and Martin Kingston netted a 17lb 'daylight' common from Lodge.

■ **THE** weekend's two-day 60 peg Feeder Masters sell-out final on Bough Beeches saw the winner walk off with £12,000 – and word from the banks is that Michael Buchwalder picked-up £1,700 for a sixth-placed 33-6 total...missing fourth by just a couple of ounces.
