

# Ouse fish large and small go on a feeding rampage!

**T**HE local Ouse came alive over the past week with big chub, perch and shoals of chunky roach and dace coming on feed.

Olney's charity match saw the 29 who weighed in totalling more than 240lbs - as 10th place went to more than 10lb.

The club spacing match pegs out to make for fairer pegging no doubt helped as Paul Caton won with two chub to 4-11 and a net of roach and dace for a total of 19-3 - all on waggler.

Ernie Sattler had 18-4 of mixed silvers and a chub as Gary Underwood caught 17-3 of quality roach and Paul Reynolds netted 16-3.

Perch to 2-11 were among the back-up weights while the match raised £160 for the Royal British Legion.
