

CORMORANT PETITION

Please help us to lobby for a change in legislation in the forthcoming DEFRA review of the

Cormorant Licensing System

to have the cormorant placed on the 'general license.' by signing our

ON-LINE PETITION

<http://www.gopetition.com/petitions/cormorants-biodiversity-in-danger.html>

This will allow the legal control of numbers of cormorants to protect our already struggling fish stocks.

For full details and link to petition please go to
www.avonroachproject.co.uk

Thank you.

With your help we can make the difference. Without it, we can't.
